FOREIGN NEWS

After Trouble Brewing.

LONDON, October 31.—"Most serious trouble," says the Shanghai correspondent of the Daily Express, "is brewing in the Yang-tse region, whither the Empress Dowager has sent emissaries to raise powerful armed bodies to exterminate converts and expel foreigners. She has appointed Yu Chuan, a notoriously anti-foreign General, to be military governor of the Yang-tse district."

The Shanghai correspondent of the Times, wiring yesterday, says: "Li Hung Chang has wired to Chang Chih Tung, the Wu Chang Viceroy, that the peace negotiations are satisfactory, but to other leading officials he has telegraphed exactly the reverse, bidding them prepare for eventualities."

China Would Pay Forty Million Pounds.

LONDON, October 30.—"The Chinese plenipotentiaries opened negotiations," says the Shanghai correspondent of the Daily Express, "by proposing that China should pay an indemnity of £40,000,000 in sixty installments, agreeing that the likin and the customs service should be under foreign control until the obligation should be discharged."

"They also agreed that Prince Tuan should be imprisoned for life; that Tientsin should be treated as an international district and that other places should be opened to foreign trade."

"China undertakes to abstain from purchasing war material abroad. In order to raise the indemnity she proposes to double import duties."

Reply of Russia Not Satisfactory.

LONDON, October 30.—Russia's reply to the Anglo-German agreement was received at the Foreign Office this evening. It is as generally outlined by the London Times in the dispatch from its St. Petersburg correspondent this morning. The officials of the British Foreign Office do not regard the Russian note as adequate treatment of the points raised in the Anglo-German agreement note. They say the Russian reply "lacks the definiteness so desired by Lord Salisbury."

New Place For Lansdowne.

LONDON, October 31.—The following important announcement appears this morning in the Daily Telegraph: "We understand that, after mature consideration, Lord Salisbury has decided to resign the foreign secretaryship, which will be transferred to the Marquis of Lansdowne. Although the health of the Prime Minister gives no cause for anxiety, we believe that he is largely influenced by the counsels of his medical advisers."

Several Killed in Venezuelan Quake.

WASHINGTON, October 30.—The State Department has received the following cablegram from Mr. Russell, secretary of legation at Caracas, concerning the recent earthquake in Venezuela, in which Cipriano Castro, the President of the republic, was injured:

"CARACAS (via Havre), October 29.—Secretary of State, Washington: Severe earthquake this morning. Great damage to property; several killed. The President, in jumping from the second floor of the Government house, had his leg broken. Details from here later."

RUSSELL.

De Wet Compelled To Abandon Guns.

LONDON, October 29.—The War Office has received the following from Lord Roberts, dated Pretoria, October 28th: "Knox successfully engaged De Wet October 27th. During the Boer retreat Knox caught De Wet in the Rensburg drift. The Boers lost considerably and left two guns and three wagons in Knox's hands. Another ammunition wagon was blown up by a shell. The British casualties were nil."

The Coal Miners At Work Again.

Pittsburg, Pa., October 29.—Today witnessed an almost general resumption of work in the anthracite region, where for six weeks the mine workers have been on strike for an advance in wages, a reduction in the price of powder and in several districts abolition of the sliding scale of wages. In a few instances collieries operated by individuals and small companies have failed to resume.

Great Buildings Plowed To Pieces.

NEW YORK, October 29.—By a series of terrific explosions following a fire a few minutes after noon today New York's wholesale and retail drug store at the southeast corner of Greenwich and Warren streets, was demolished, hundreds of men and women were injured and many killed. Both sides of Warren street, between Greenwich and Washington, were laid in ruins and buildings for blocks around were wrecked in shrapnel. For half a block to the north and south of Warren street, the East side of Washington street is almost as hopelessly wrecked as is also the short Warren-street block of 100 feet frontage. In all something like forty persons were killed and other victims are possibly elsewhere.

TELEGRAPHIC ITEMS

English financiers are watching the American market for pointers on the election.

Charles T. Yerkes considers his London underground franchise deal his masterpiece.

Gold has been discovered in Samoa and miners are rushing there from Australia and New Zealand.

A Norwegian commercial expedition has recently discovered rich deposits of coal at Spitzbergen.

Mansfield, Ohio, October 25.—John Sherman, senator and cabinet secretary is dead. He was buried today.

The rice crop has failed in Kwang-Si province and robbers are pillaging. Rebellion and famine there are rife.

A punitive expedition of 200 men either French or English, is believed to have been massacred on the Abyssinian border.

Honolulu has a new coal pile of 10,919 tons, and Rear Admiral Bradford has prepared plans for putting 20,000 tons there.

C. L. Alvord, note teller of the First National Bank of New York, is a fugitive and absconder to the extent of \$700,000.

The French Consul at Hankow cables that he has secured protection for the missions and Christians in Shensi province.

The Chinese officials have placarded the Shenton district, offering several hundred dollars' reward for the heads of four foreigners who are supposed to be leading the rebels.

Minister Conger has been authorized by his Government to begin negotiation at once with the Chinese Envoys on the basis of the points in the German and French notes upon which all the Powers are agreed.

Great uneasiness was created in political circles," says the Constantinople correspondent of the Daily Mail, "by a report that an American squadron was approaching, and the censor was instructed to prohibit the press from mentioning the subject."

The War Office announces that Lord Roberts hopes to leave South Africa for home about November 25, and that General Lord Wolsley has consented to continue to perform the duties of the commander in chief of the army until the end of November.

In his response to the British and German Governments regarding the Anglo-German agreement, says the Herald's Washington correspondent, Secretary Hay is likely to make another effort to induce all the powers to join in the agreement for the maintenance of the integrity of China and the preservation of the 'open door'.
